THE MYSORE RESIDENCY,

Bangalore, 14th January 1915.

Fin 120 145-14
H no. 1

My dear Dewan Sahib,

Kindly refer to the D/O correspondence regarding the employment of the Volunteer force at the Kolar Gold Fields in the event of a breach of the peace.

We have spoken about this matter on various occa- 66-12-3
sions and about the end of April or beginning of May last you gave me the draft of a D/O letter which would have been written in continuation of your D/O letter No 942, dated the 2nd October 1913. I think I subsequent-ly explained to you verbally that I did not propose to pursue the question as I had not received any further communication regarding it either from the Mining Board at the Fields or from Messrs John Taylor & Sons & as you (vide para 4 of the draft) were satisfied that "there would be little difficulty in making effective use of the Volunteers under the orders already in force."

Last week however, I received a call from

Mr. Arthur Taylor of Messrs John Taylor & Sons, who was accompanied by Mr C.H.Richards, the present Commandant of the K.G.F.R.V.

They again raised the question, and pointed out in particular that the Commandant might, in existing circumstances, be placed in an awkward position through ignorance as to what he might legitimately do.

After further consideration, I am of opinion that the difficulty can be satisfactorily met by the issue of a new supplementary order, as sugested in para 6 of your draft. This order would, as there contemplated, lay down distinctly that there should be no hesitation on the part of the local Magistrates in securing the assistance of the Volunteers in suitable emergencies & would instruct the Magistrate to arrange in advance with the Commandant that, on the occurence of an emergency, the Commandant would place specified numbers of the Corps at the Magistrate's disposal.

The order might of course, be confidential. A copy would no doubt be given confidentially to the Commandant, whose position would then be free from embarrassment.

If the Durbar are prepared to issue the order at

THE MYSORE RESIDENCY,

Bangalore, *191*

once, I should be glad to have ~~permission~~ authority to inform Mr. Arthur Taylor of what has been arranged. I understand he is likely to return here in the latter part of the month and will be in India till about the middle of February.

Yours sincerely,
M. Dale

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read:-

G.P. No. J 1791-1800 Legis 27-07-5 dated the 23rd December 1908 laying down instructions regarding the employment of Volunteers in cases of emergency.

Order thereon No: J 2573-82
Dated, Bangalore the 4th ~~January~~ February 1915

It was pointed out in the order read above that though the local Magistrates are not authorized to call out the volunteers in a body, they can legally requisition the services of individual volunteers under the provisions of Section 128, Criminal Procedure Code.

2. Government consider it necessary to lay down distinctly that -- there should be no hesitation on the part of Magistrates to secure the as-

sistance of volunteers in suitable emergencies and that ~~they~~ the local Magistrates should arrange, in advance, with the Commandant of the volunteers concerned to have specified members of the Corps placed at their disposal. The communication of orders to individual members of the Corps by the local Magistrates will thus be rendered unnecessary.
